

# Ever Struggled to Afford Your Health Care?

Tell us about your concerns!

[Maine's Office of Affordable Health Care](#) and [United States of Care](#) invite YOU to share your health care experiences with us at a **listening session!**

These conversations will help us understand:

- How health care is working or not working for you, and
- What kind of solutions might help address your concerns or needs.

You will receive a **\$75 Gift Card** and a **complimentary meal** during the event in appreciation of your time.

## Please join us, if:

- ★ You are **between the ages of 18-64**,
- ★ You live in Maine and are willing to **travel to Auburn or Machias**,
- ★ You are **willing to share your health care experiences** in a small group setting.
