

**MeHAF Addiction Care
Grantee Meeting #3
Building Capacity**

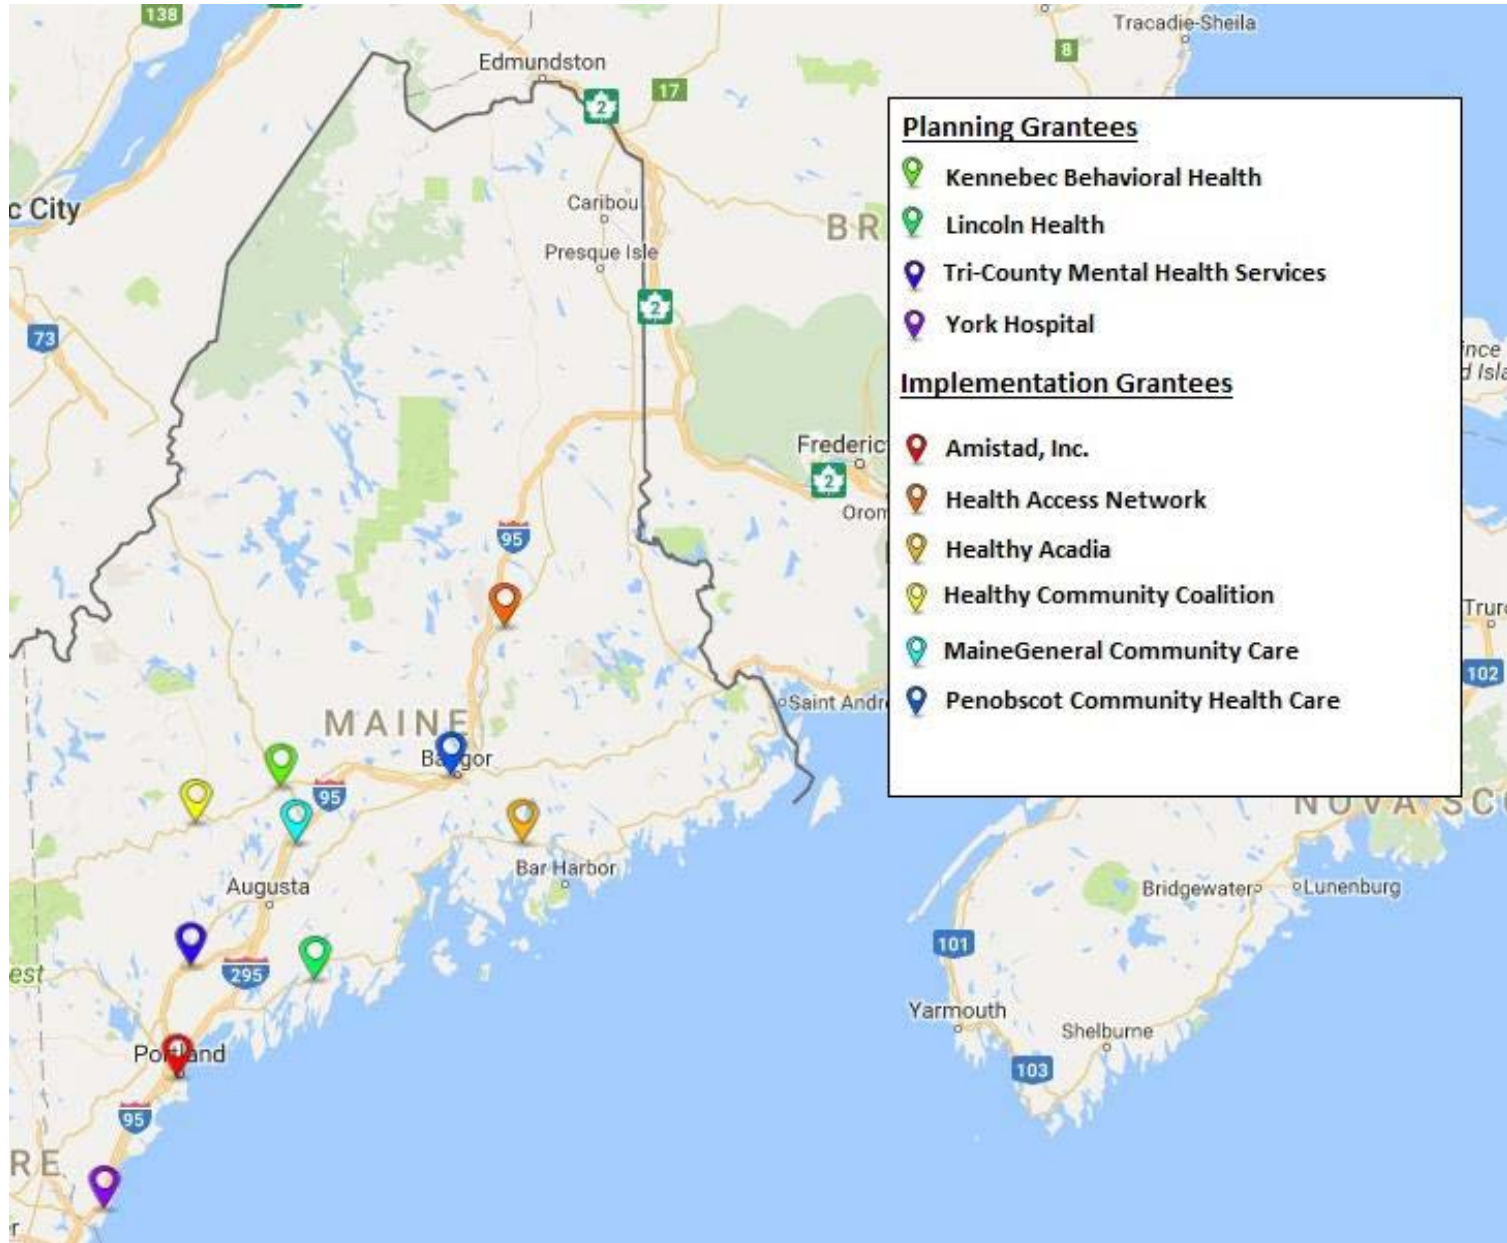

May 23, 2018

9:30 AM – 3:30 PM

Maple Hill Farms

Welcome to All Grantees and Project Partners!

Welcome to our Guests!

- Community Members with Lived Experience with Substance Use Disorder and in Long Term Recovery
- MeHAF Healthy Community Grantees
- Caring for ME Clinician Leadership Program Members

Meeting Objectives

- Increase understanding about how to effectively communicate and engage recovery coaches
- Address challenges related to gathering and reporting data and the CQI metrics in the dashboard
- Identify policy or advocacy opportunities to address barriers to expanding access to MAT
- Increase understanding about how to reduce stigmas and welcome people in recovery into the community
- Identify promising practices for engaging people in recovery in the design of patient-centered services
- Foster peer sharing and learning among grantees
- Celebrate and continue progress within teams

CME Disclosure

The speakers today do not have any relevant financial relationships with the manufacturers(s) of any commercial products(s) and/or provider of commercial services discussed in this activity.

You will receive a follow-up survey by email to complete after the meeting to obtain a CME, LADC, or Attendance Certificate. Please complete in the next week and certificates will be emailed in 1 month.
